presentation after the initial performance.***

# Acknowledgements

I'd like to thank Dr. Marcus for guiding me throughout these past three years.

I'd like to thank my first organ teacher, Michael Lodico, for giving me the opportunity to start learning organ in the first place.

Thank you to my advisor, Dr. McClellan, for helping me through my music education journey.

To all the teachers who helped shape me into who I am today.

And a huge thank you to my parents and family for always supporting me in all my endeavors. I would not be anywhere without their constant love and support.

And finally, thank you all for coming out and supporting me!
